Chapter 19, FLOODPLAINS**

**WHEREAS**, publication of the title summarizing Ordinance Chapter 19 will clearly inform the public of the intent and effect of the Ordinance; and

**WHEREAS**, a printed copy of the text of Ordinance Chapter 19 will be available for inspection by any person during regular business hours at the Lucan City Office or by standard or electronic mail; and

**WHEREAS**, the ordinances shall become effective upon their passage and publication as provided by law; and

**WHEREAS**, the Ordinance is deemed lengthy and the City Council determines publication of a summary of the Ordinance sufficient to clearly inform the public of the intent and effect of the ordinance;

**NOW THERE BE IT FURTHER RESOLVED** that the City Council hereby determines to publish the following summary language, which is hereby approved, in lieu of publishing the full ordinance amendment:

Summary: This ordinance adopts a model floodplain ordinance provided by the Minnesota Department of Natural Resources. Minnesota Statutes Chapters 103F and chapter 462 delegated the authority to local governmental units to adopt regulations designed to minimize flood losses. Minnesota Statutes Chapter 103F further stipulates that communities subject to recurrent flooding must participate and maintain eligibility in the National Flood insurance Program. The ordinance provides the general regulations for development in areas located in the floodplain, addresses potential conflicts with other City ordinances, delineates permitted uses, provides provision for administration of the ordinance through the issuance of land use permits and variances, regulates non-conformities and outlines penalties for violations. The ordinance also addresses the placement of travel trailers and travel vehicle and recreational vehicle in flood plain areas. The Ordinance is effective upon passage and publication of the Council approved summary.

Adopted by the Lucan City Council this 1<sup>st</sup> day of April, 2019.
